Draft decision I
Organization of the work of the Third Committee and biennial programme of work of the Committee for 2003-2004

The General Assembly, pursuant to its resolutions 45/175 of 18 December 1990, 46/140 of 17 December 1991 and 50/227 of 24 May 1996, approves the organization of work of the Third Committee and the biennial programme of work of the Committee for 2003-2004, as contained in annexes I and II to the present decision.

Annex I

Organization of work of the Third Committee

A
Guidelines concerning time limits of statements

1. In accordance with rule 106 of the rules of procedure of the General Assembly and paragraph 22 of decision 34/401, on the rationalization of the procedures and organization of the General Assembly, at the beginning of each session the Chairman of the Third Committee should propose to the Committee the limitation of the time to be allowed to speakers.

2. Further to General Assembly resolutions 45/175 of 18 December 1990 and 46/140 of 17 December 1991, on the rationalization of the work of the Third Committee, statements made by delegations and by Secretariat officials, unless decided otherwise by the Committee at the beginning of the session, should not exceed seven minutes. Statements made on behalf of a group of delegations or made in connection with the sub-items under the agenda item on human rights questions should not exceed 15 minutes. These time limits will be applied with a degree of flexibility towards all speakers. With a view to saving time, all speakers are encouraged to exercise self-discipline, in particular delegations associated with group statements. For practical reasons, group statements are encouraged for the first day of the discussion of an item or sub-item. In this connection, it is important

to emphasize the timely distribution of documentation in accordance with the rules of procedure of the Assembly, in order to enable delegations to inscribe themselves on the list of speakers at an early stage.

B

Draft resolutions on reports of treaty bodies and reports of the Secretary-General on the status of the treaties

3. Reports of all treaty bodies will be submitted to the General Assembly in accordance with their respective legislative mandates. Substantive resolutions on those reports should be adopted biennially, in accordance with the programme of work of the Third Committee. Where possible, it is recommended that draft resolutions on the status of the treaties not be submitted separately but be incorporated in the draft resolution relating to the report of the treaty body. In alternate years, the Committee should simply take note of the reports unless more substantive action is deemed appropriate.

C

Proposals emanating from subsidiary organs of the Economic and Social Council

4. In transmitting proposals to the General Assembly, the Economic and Social Council should, to the extent possible, bear in mind the programme of work of the Third Committee.

D

Programme of work

5. An informal meeting of the Third Committee should be held immediately after the election of the members of its Bureau in order to consider the programme of work of the Committee based on a draft to be prepared by the Secretariat and to consider other organizational aspects relating to the Committee's work, especially the status of documentation.
